### **How to Host an Iftar Dinner**

1. Email [host@iftardinner.org](mailto:host@iftardinner.org) if you are interested in hosting a dinner. Please be sure to include your phone number and email address in the message. Note that only your email address will be used in event material.
2. Begin inviting your guests. Your number of attendees may be of any size, from a few to over a thousand. While sending invitations, challenge yourself to reach out to a diverse group of people from varying religions, cultures, and ethnicities. Remember—with each seat at the table, we can move one step closer toward achieving unity.
3. Find a venue. This can be your home, or you may choose to reserve a public space that will fit a larger group of people. Be sure to schedule your dinner on or around June 7<sup>th</sup>.
4. Prepare a meal. As host, you have the freedom to choose the meal plan for your dinner. You may decide to prepare all food by yourself, or you may plan a potluck. The latter option is highly recommended, as it allows guests to bring a piece of their culture to the event.
5. Share your event with the world. Post pictures from your Iftar Dinner on Facebook, Twitter, and Instagram using the hashtag #MealforHumanity. Congratulations, and thank you for your help in bringing our nation together.
